Celeste Jackson - President

YEAH! Summer's here, schools out, and we are all ready to hit the beach, right?

We have our planning meeting this month at Joyce's house, to get ready for the fall. Jeannie will have the year to date expenses compared to budget, for each committee. This will help you plan your projects for the remainder of the year. And we will need to get working on our next fund raising event. In this economy fund raising is a challenge for all charitable organizations, so let's be creative.

I'd like to propose a networking get together at my house this summer. This will give members a change to promote their businesses, sell their products, to let members know if you are looking for a job, or to just network to find out what you have in common with each other. Perhaps since we don't have a meeting in July 7/14 would work for everyone. We can talk more about this at the June meeting.

See you at Joyce's.

International Affairs – Claire Portmann

We are going to be planning for our Heifer International fund raiser. It will be held at the end of September. It will be a dining around the world type dinner for young and old.

Tequesta, FL 33469

Planning Meeting & Orientation: 6:30PM

Bring a friend or three!

Special Notice from Joyce Ross for those attendees of the next meeting:

I am looking forward to having everyone at my house for the June meeting. Just a reminder- **Please don't park on the yards.** It upsets our neighbors, murders sprinkler head, and turf grass. Creative parking in previous years has taken out ornamental shrubs, and brought the police to correct hazardous parking. There is no parking with "No Parking" signs directly across the street from my house. There is plenty of parking on both sides of County Line slightly to the east of my house (by the cemetery - ***this is only 2 houses away!) and there is a sidewalk across the street on the cemetery side so you don't have to walk on County Line Road. Of course car pooling is always a great idea.

Arts Committee - Mary Bergen

The Children's Art Show at the Lighthouse Gallery was a huge success. BIG THANKS TO ALL WHO HELPED. The gallery staff and their volunteers do an outstanding job of displaying the kids art and group projects. The gallery provides the program and award certificates. We even got our women's club logo on the cover of the program this year.

Our judges, Heidi Dearman and Kathy Cambier, both education and art majors, spent a good portion of Monday judging. The judges have no interest in the schools or students. The list of winners were faxed to Jeanne Takeda. What a job she does to have all the checks and envelopes finished by Wednesday.

Heidi Dearman and I arrived at the gallery on Wednesday to get set up for what turned out to be over five hundred parents and students. It was a bit overwhelming as we watched our refreshments disappear. We sent out an urgent help message and the club responded in true club spirit with volunteers and more refreshments. Thursday evening was a much smaller 150 students and parents were in attendance.

Many thanks to Audrey for her Juniorettes Anna Bryan, Anna Wnukowski, Alex Youngman and Mattie Myers. The young ladies poured punch monitored refreshments thanks again!

Ladies, we as a club should be proud of how we spend our funds as this is a total community effort. Two new awards have been added this year - both for special recognition (1st and 2nd prize) to the students of the Challenger school, which is a local school for special needs children. Quick thanks to those who helped - (If I left your name off I am sorry, but some food arrived without names) Vicki, Becky, Claire J.P, Claire P., Yvonne, Lisa, Joan, Mary B, Ruth, Midge, Debbie, Maryann, Kathleen, Lynne, & Gina.

Happy Anniversary

Education – Donna Bryan

Thanks again to the Education Committee for their time and input on the scholarship recipients.

A special thanks to Jeanne Takeda for presenting the awards at Dwyer High School. I presented the awards at Jupiter High School.

All of the Scholarship winners have been very grateful and have called to express their thanks. I believe it truly one of the best things that we do.

Interestingly, all of the seniors have ambitions to work in the health field in very worthwhile areas: pediatric oncology, therapist for autistic children, and physical therapy. This was purely coincidental, as their aspirations were not part of the evaluation criteria.

Our adult winner, Elizabeth Blees was also truly grateful. She will be pursuing her Bachelor's Degree in Business Administration.
