Celeste Jackson - President

Hi Ladies - Well, the summer is over, school is started, and it's almost season in South FL. Now our busy time begins.

Looking forward to seeing all of you and your guests at the New Member Social at my house Tuesday 9/15.

Claire J. Portman is coordinating all the food for an international flair. It's a fun time for new members to become involved with our road cleanup, holiday shopping, stocking stuffer, and holiday party. And of course there will be a fall fund raiser. Watch the e-mails from Robin for more info.

Conservation – Claire Percuoco-Portman

The conservation committee received tickets for our adopted family to attend a baseball game at Roger Dean Stadium. Lynne Rifkin chaperoned and bought the family some eats. Thanks Lynne! The International Coastal Cleanup is approaching quickly. This event has been taking place for the last 23 years and is the world's largest one day event to clean up the marine environment, with volunteers from over 100 countries. We are teaming up once again on **Saturday, September 19th at Coral Cove Park in Tequesta.** The Coral Cove team will be managed by EarthRehab, Jupiter Middle School Treehuggers, and Jupiter Tequesta Junior Women's Club. Be there at 8am. Teens can earn volunteer hours and it's always a fun and rewarding experience for families to share in this important cleanup. Let's have a great turn out for our club.

Our next **road clean-up** will be on **Saturday, October 10th at 9am.** Meet at the Corner Cafe and Brewery on the corner of Tequesta Drive and US 1. Club member, husbands, friends and kids, are always welcome to help. See you there. Our committee was able to get free tickets for our adopted family to go to the Rapids sometime before October 18th. Once they pick the date they would like to go, anyone who would like to join us as chaperones may come. You will need to take care of your own expenses. Please contact Becky if you would want to join us for this event.

Communications – Claire J. Portman

We hope that everyone has had a great summer. Our busy fall season is upon us. Are you ready for it?

In our ongoing quest for greater name recognition, we encourage all our members to wear their Club shirt when participating in a Club public event or project.

We have 2 styles of shirts, both with our club logo embroidered on the left chest of the shirt:

- Blue polo shirt - \$25/each
- Tailored white blouse with ¾ length sleeves - \$36/each.

Mary Ward is going to be placing an order soon. There is a minimum order quantity of 6 shirts. If you need a shirt or two, please let her know the style and size that you need.

Public Affairs – Bonnie Poston

I hope everyone enjoyed their summer!!

I'm looking forward to getting back into the groove of things. I have a lot of ideas to bring to the table! Our committee needs to have a meeting, so put on your thinking caps on and lets start thinking about a date to get together.

Thanks to Claire Percucoco-Portmann, our adopt a family was able to go to a baseball game over the Summer, and thanks to Becky Kobylarski who was able to get Rapid Water Park tickets for the family.

Happy Anniversary

International – Claire J. Portman

Some of the members of the International Committee met at the Lazy Loggerhead to map out some fall plans.

We are going to be organizing the food and fund raising portions of the New Member Social on September 15th. We have already gotten the promise of some amazing dishes originating from all over the world being brought to the event.

Randee Strassler has been able to collect some great items for raffling off at the Social. The funds raised at the event will benefit Heifer International.

Education – Donna Bryan

The education committee contributed \$100.00 and we collected over 200.00 from the group at the auction. Thanks to all the members who donated to our Adopt a Family. We collected just over \$300.00! This was utilized to buy shirts and pants for the kids, along with backpacks and many different school supplies. The children's lists this year had many items on it, and you could tell many of the supplies listed were for the teachers to be able to do their job effectively. (i.e., a ream of copy paper).

Our adopted mom could *really* use more cleaning jobs, since she only has one of these per week, so if you know anyone who needs help in this department, please let us know. Also, if anyone has any night tables they would like to donate, they could also use these.

Empowering Women – Lynne Rifkin

Our Dress for Success collections have been outstanding this year, however, **we will not be accepting donations until further notice.** The Lake Park facility has closed for the time being, and when they relocate themselves I will advise everyone when this program will resume. Thanks again for all of your efforts and support.

It was my pleasure as chair for the Empowering Women committee to host our Domestic Violence family at the Roger Dean Stadium in July. We watched a great game, ate a lot of great (?) food, and the kids left with autographed baseballs. We still have budgeted funds for another outing, so if you want to discuss any ideas with me just call 561.906.7500 or drop an email to lynne@lynnrifkin.com .

Looking forward to seeing you all at Celeste's home for our September meeting.
