Celeste Jackson - President

Happy Thanksgiving Ladies,

First I want to congratulate the Fundraising group on a fun and successful Bunko Fundraiser. It's too bad more members were not able to attend. Everyone had a fun time, and I'm confident we recruited a few new members. I'm looking forward to the Second Annual Bunko Event.

I was happy to see a few more members at the Road Clean Up last weekend. It was a beautiful day for a walk outside. Again, this is a project we have committed to that needs the entire club to be successful. Our part of US 1 does not have much trash. I find these clean ups more as a time to get to know other members better, as we walk together and chat.

At the November meeting we will be voting on Junior of the Year. Please take time to read their bios in this newsletter so you can decide which of these deserving ladies will hold the 2010 title.

As President I will select the Junior of the Year, and both awards will be given at our annual Holiday Party.

Also, at the November meeting I will be asking for volunteers to judge the Annual Jupiter Christmas Parade. We'll put all names in the hat, and select 3 judges. But, remember at the last meeting we voted to have our own float in the parade. I'm hoping all members will not only participate in decorating our float, but either be on the float or walking along with it the day of the parade.

Let the holiday season begin!

Treasurer – Claire Portman

If you have any receipts to turn in for reimbursement, please bring them to the meeting and I will get a check to you ASAP. I am happy to report that we raised \$1135 gross at the Bunco Fundraiser. If there are reimbursements to be made this amount will be less. We still have to pay our dues & fees to the State Federation and for the numerous projects in the works for the end of the year. The current cash report follows the minutes in this newsletter.

Conservation - Becky Kobylarski

Saturday was a truly successful road cleanup. Our Adopt-a-Highway portion of Rt 1 is sparkling! Thanks go out to all who attended. Our next cleanup will be Saturday, December 11th

Please remember to bring any and all recyclable materials to our next meeting for the Resource Depot; toilet paper rolls, paper towel rolls, meat trays, fabric, ribbon, old wire, anything and everything that you think could be used in a craft project, school project, drama prop, you name it!

Our new project for the conservation committee is up and running. We will be working with the Jupiter Performing Arts Fund (JPAF) supporting our community in keeping music in education. Please dig out or dust off your old or unused instruments to be refurbished and recycled back into our community. These instruments will be repaired if needed and donated to our own local public elementary, middle and high schools. The music directors who have been lucky enough to receive one of the first instruments donated were fill with tears of joy. As a musician and instructor myself, it is a truly rewarding endeavor. Ask your parents, neighbors and friends as well. Any instruments you have can be brought to our November meeting. Thanks in advance!

Fundraising – Ruth Diznik

Thank you to all members who attended our JTJWC 1st Annual BUNCO Tournament hosted by Ranco Chico - Tequesta. Special thanks to our tournament coordinator Becky K. and our BUNCO Bunnies Denny and Becky R. Everyone had a great time, the club raised approximately \$1,300 between the donation for admission and our "Mexican" Auction run by Sheryl. Many thanks to everyone who contributed and collected donations for our amazing prize baskets and auction baskets. The holidays are quickly approaching and we are hoping to work with the JTWC for gift wrapping at the Gardens Mall and hope to find a location to have "Pictures with Santa". Once again, thanks for your generosity and support. Hope to see everyone at the November General Meeting.

THANKS Secret Pal for my Halloween pumpkin! I loved everything in it - and my husband immediately stole part of the candy for him. The drink stirrers were a blast and you know I love cocktail napkins.

Home Life- submitted by Joyce Ross

During the holidays I usually have several people ask me about our holiday projects. So I'm offering a little preview about what we will be doing.

There are four different Homelife holiday projects that go on during Nov. and Dec.

#1- Food Baskets-

This year the club decided to provide food to four (possibly six) local families over the November and December holidays. We get the names of three families with children from the Jupiter Head Start and the name of a senior citizen from the West Jupiter Community Group (Tutorial Center). We will do the grocery shopping a couple days prior to each holiday then dropped off the food at the Head Start (This year the volunteers will be doing the shopping at the Tequesta Publix) and drop off the food for the senior citizen at the Tutorial Center. There will be sign-up sheets with more details at the next meeting. It usually doesn't take more than hour and a half and really is a lot of fun. A huge thanks to all whom chose to work on these 2 projects.

#2- Gifts-

We will have a sign-up sheet at the Nov. meeting for those willing to provide a gift (\$10-\$15 value) for one of the children in these 3 (or 4) local families. The sign-up sheet has each child's name and age. This year we hope to provide gifts for the two mothers, 6-8 children and one senior citizen. The wrapped and labeled gifts can be dropped off

at the Stocking Stuffer or the Holiday Dinner. Later they will be distributed to the families along with the Dec. food basket.

#3- Stocking Stuffer-

The annual Stocking Stuffer Party will be held Dec. 7th, the first Tues. in Dec. at 7:00, at my house- 4936 County Line Road, Tequesta. As always all are welcome- members, guests and friends. During the evening we assemble 36 stockings for children in Foster Care ages 4-8. We spend the evening wrapping lots and lots of little items that are stuffed into each stocking. The club provides the stockings and little items. It's completely optional- but if you'd like to donate to the stocking we suggest small unisex gifts (\$1-\$2) to add a little something extra to each stocking. The key word here is **Small**. The evening has become a tradition for Juniors and includes lots of laughs, snacks, beverages and fun. It is a great way to get to know your fellow Juniors. When we finish the stockings are truly "stuffed". Please remember to bring you own scissors, tape, any scraps of wrapping paper you may have on hand and any little donated gifts (\$1-\$2). A day or two after the "stocking stuffer" a representative from the Foster Parents Association comes to my house and picks up the stockings. She said we are the only group that provides stockings that are ultimately combined with gifts that are given to children in Foster Care. A huge thanks goes out to all who help with this project and/or contribute stocking stuffer items. I encourage everyone to join us for this informal "kick-off" to the holiday season. Any questions- Call Joyce 747-5986. ****Note-** Please do not park on the grass. There are NO Parking signs directly across the street from my house- but there is plenty of parking on both sides of the street just 3 houses to the east (across from the cemetery) with a sidewalk on the north side of County Line.

4-The Senior Light Tour

There is one more project we work on over the holidays- On Monday, Dec. 13th after a fun filled dinner at KFC, 30 or so senior citizens from the Limestone Creek area of West Jupiter board a big bus. From there the "Christmas Light Tour" is off and running. A prearranged route guarantees a wonderful tour of holiday lights while pausing along the way to sing and receive little gifts and holiday greetings at several prearranged "stops". Although Juniors do not sponsor this event, they are big

supporters and one of the highlights is the prearranged Junior Woman's Club "stop" in Whispering Trails. (We stop in Whispering Trails because the roads and cul-de-sacs are large enough to accommodate the large bus). (Many Juniors have told me this is one of the highlights of their holiday season.) There the seniors are treated to trinkets, treats, and all types of treasures. As always, all are welcome to meet and greet and/or provide goodies for their adventure. In the past the stop was in front of Candy's house and included Candy, Kerry, Karen, Donna, Claudette, Claire, Beverly and all their kids, dogs, families, neighbors and friends. The stop doesn't last more than 15 minutes- but is lots of fun (and really quite moving). I will have more details at the Nov. meeting.

Foster Parents Association Angel Wish List Project

In the past, I have had several Juniors inquire about providing gifts for a Children in Foster Care. The Foster Parents Foster Angel Wish List Program is an excellent project and has been in existence for 23 years. Unfortunately, while the number of children going into Foster Care continues to increase, the number of Foster homes has decreased. This of course leads to over crowding and resources that are spread thin. At any given time there are between 550-800 children in Foster Care. In these economic times it becomes more and more difficult to find sponsors for each child. They always need sponsors. If this sounds interesting, I can request a wish list for you with the child's first name and holiday desires, and project information. Then, you would shop, wrap, label the gifts and bring them to the stocking stuffer (or you can make other arrangements -the Foster Parents Association would be glad to pick them up at your convenience). There is no specific amount you need to spend- more or less \$50 should do it. If anyone in Juniors would like me to get them a wish list through this program just give me a call Joyce 747-5986. OR you can make a donation and one of their volunteers will be glad to do all that for you. If you have questions about the Wishlist project- you can call them directly- Maria Bond- 561-267-3443.

FYI- Our Juniorettes usually request a couple lists and have a lot of fun with this project

International – Ana Warder

We will be collecting them at the November Meeting. We will get them to the drop off location and the club will be covering the shipping cost. Use an empty shoe box (standard size, please) or a small plastic container. You can wrap the box (lid separately), but wrapping is not required. Determine whether your gift will be for a boy or a girl, and the child's age category: 2-4, 5-9, or 10-14. Fill the box with a variety of gifts that will bring delight to a child. Some ideas for gifts are:

TOYS small cars, balls, dolls, stuffed animals, kazoo's, harmonicas, yo-yos, jump ropes, small Etch A Sketch®, toys that light up or make noise (with extra batteries), Slinky®, etc.

SCHOOL SUPPLIES pens, pencils and sharpener, crayons or markers, stamps and ink pad sets, writing pads or paper, solar calculators, coloring and picture books, etc.

HYGIENE ITEMS toothbrush, toothpaste, mild bar soap (in a plastic bag), comb, washcloth, etc.

Thank you so much for the nomination! Congratulations to Ruth! I am quite honored to be included with you on the ballot. I have been a member of JTJWC for five years. I really love the friendships and the opportunities that I have to give back to the community that the club provides. I am honored to have been named as the International Outreach – Partnership Chairperson on the Junior Planning Committee for GFWC Florida. During this past year I participated and helped with the following projects and events that allowed me to give back and get to know other members better: Donated to Operation Christmas Child (Shoe boxes). Thanksgiving and Christmas grocery shopping for local families (2005-2009, so far). Stocking Stuffer for Foster children (2005-2009, so far). Worked the Gift wrapping at the Gardens booth. Worked the Bright Lights Event, every night but one. Worked on the Club Reporting project. Oversaw the JTJWC Budget Meeting (2010). Volunteered at the For the Love of Children 5K. Volunteered at the Walk Me Home 5K. Donated items for the Dollars for Delegates Purse Auction. Murder Mystery Night – Got donations, help set up & clean up and was cashier. Attended the State Spring Convention. Attended the District Summer meeting. Joined the GFWC ESO sorority. Attended Florida Fall Board and was a presenter in the Junior Workshop on our Community Service Projects. Helped coordinate, setup and work the International Fundraiser at Spiro's Taverna.. As the Treasurer : I collect receipts, make deposits and payments while keeping track of where the money should be allotted. Therefore, I attend almost every event where money is collected. I reconcile the bank accounts and balance the club books. I oversaw the Budget committee, filed our annual report and to formally change the club name with the State of Florida, and filed our annual Agriculture report. I filed our information with the IRS, to be able to maintain our tax-exempt status. Other ongoing projects, besides our meetings and after-meeting socials that I do are donating and delivering recyclables to Resource Depot every couple of months, donating clothing, goods and food for our projects and I look forward to continuing to assist the club and our community in any way that I can.

Interested in Being a Secret Pal?

The GFWC-JTJWC Secret Pal Program is optional and open to all initiated Juniors. Being a Secret Pal is a great way to get to know your fellow members. To Participate, just fill out this form and bring it to the November Meeting or December Holiday Dinner. At the December Dinner Secret Pal names will be drawn. Drawing for a Secret Pal is purely by chance. If you would like to participate but can not attend the meetings call Joyce Ross at 747-5986 to make arrangements. The Secret Pal Program begins January 1st of the upcoming year and ends with the revealing of Pals at December Holiday Dinner.

Guidelines

This is not a competition for the best gifts or the most expensive gifts. A card or note goes a long way to build a Secret Pal Friendship. The Secret Pal Program should be fun for everyone involved! When you draw the name of your Secret Pal, you are committing to remember her in small ways at least three times a year and on special occasions. It is also customary to have a gift for your new Secret Pal and one last gift for the person you have been giving to the previous year at the Holiday Dinner in December. There are no hard and fast rules for the Secret Pal. A Secret Pal can be remembered at meetings, in the newsletter, by sending things to their homes or any other way you can think of. If you have any questions, please call Joyce Ross, 747-5986.

It is that time of the year for collecting all yearly information from committee chairs and club members. Please fill out your hour sheets (in the back of your yearbook or on the web site) listing all the projects you participated in and your hours. Remember to include phone calls, driving time, meetings, etc. Also, I need the committee chairs to please turn in your procedure manual to me at the November meeting, so I can update for the 2011 chairs.

Please mark your calendars for a “Meet and Greet” with our Director of Junior Clubs, Jolie Frankfurth.
