Arts Committee
Becky Kobylarski

Many, many sincere thanks to all of our ladies who helped with our awards and judging for the Lighthouse ArtCenter K-12 art show.

Set up by Traci Hall, the first night's reception had her signature designer touch. Thanks to Mary Bergen, Mary Ward, Jeanne Takeda, Kristen Jensen and all the Juniorettes for having a hand in helping run this fine event. The students are always so grateful as well as adorable. And the artwork is all wonderful.

Judging by Becky Kobylarski, Kristen Jensen, Ruth Dinzik, Mary Bergen was really challenging and fun. It was so hard to choose winners among all the fine talent.

Thanks are extended to all who donated their time, food, beverages and talent. Forgive me if I forgot to mention everyone. It takes all of us to help this event become such a success year after year.
